Extension de qualification**Système de qualification Y15 n° 1 : Rails**

Monsieur,

Par la présente, nous avons le plaisir de vous annoncer l'extension de qualification pour la livraison de rails, selon la spécification technique A-52 (version 05/2016), jusqu'au 01/01/2026.

Cette qualification est basée sur:

- votre dossier e-Tendering du 24/06/2020
- votre dossier de régularisation finalisé le 26/06/2020
- le mail de notre service technique du 13/05/2021.

L'article ajouté à cette qualification est repris en annexe à cette lettre (voir NN en jaune).

Pour de plus amples renseignements, vous pouvez vous adresser:

Renseignements techniques

Mme Annelies Stevens, I-AM.23 Switches
