

Information about providing Safety Data Sheets

Let us inform you about the providing Safety Data Sheets (SDS). The products that you buy from us - are steel articles. According to the guidelines of the Regulation of the European Parliament and of the Council (ES) No. 1907/2006 concerning the Registration, Evaluation, Authorization and Restriction of Chemicals (REACH), there is no obligation to provide SDS for articles.

We declare that all substances subjected to the duty of the registration, contained in our products, were registered by our company.
